"The I of the Storm is a brilliant formulation of the psychological changes necessary for conflict resolution and peacemaking.

A must read!"

James Redfield –
author of *The Celestine Prophecy*

"The only true relationship is one based upon wholeness. Gary Simmons guides us out of our excuses, fears, and conflicts to create authentic relationships and quality living.

—Thomas F. Crum, author of *The Magic of Conflict*
and *Journey to Center*

**2002 Independent Publishers
Book Award Finalist!**

In this book we learn to go beyond merely managing the conflict in our lives to actually embracing the conflict, allowing it to teach us what we otherwise might not learn. This process leads to peacemaking ... whether it be within ourselves, in our relationships, or as a result of outside circumstances.

"Gary Simmons has a keen insight into the true nature of peace. His proven methods of conflict resolution in groups, families, and individuals are making a significant contribution to the realization of peace on Earth, and this book lays it out magnificently ... I love it!"

—Jerry Bartholow, chef and author of *Peace Soup*

Simmons integrates spiritual principles, biblical quotes, and martial arts philosophy (he is a fourth-degree black belt in tae kwon do) as well as concepts from modern science—especially quantum theory. In this way he points us to the "I" of the storm of conflict, to our spiritual Self, as the means of realizing peace in our lives.
